

## RACE VIDEO SERVICES FOR PARENTS

*Capturing performance, technique and memories one frame at a time....*

### Ontario Winter Swimming Championships

**March 5-8, 2020 @ TPASC**

We are filming morning & afternoon sessions this weekend, and we hope you will join the fun and the memories! You are coming to watch the meet to see it once, but why not let us film it and bring it home to watch it several times and share with family and friends!

- We will “zoom in” on your swimmer throughout the race. We do not film the entire heat.
- Post-production embedded video graphics include meet title, swimmer name, and final time. Videos will be online within 14 days. Swimmers get their own “web page” at [www.sharperaquaticimage.ca](http://www.sharperaquaticimage.ca). EASY TO FIND. EASY TO SHARE.
- To place an order, on the day of the meet, please come see Jim or Diane located at the cameras at the top of the spectator stands, however....

**Your best option is to order online by clicking here: [www.sharperaquaticimage.ca](http://www.sharperaquaticimage.ca)**

**All 50's - \$15.00**  
**All 100's - \$20.00**  
**All 200's & 400's - \$25.00**
