NOTE: For Custom Seasonal Quotes (over 50 VRA's) contact ken@racetek.ca

➤ **ADDITIONAL RACETEK INTEGRATED RACE ANALYSIS SERVICES:**

- **New! “Racing with a Plan” Clinic** - Contact Ken Olson for more details ken@racetek.ca
- **Race Plan Models** A Race Plan is modeled after the best swimmers in the World but scaled-down to fit the goal time and size of swimmer (height/arm-span). It's the first step in the RaceTek Data Model System and works in combination with CompTrak. Cost: \$30.00 per Race Plan (volume pricing available).
- **CompTrak Models** (Competition Performance Tracking) takes the raw VRA data from a key performance and summarizes that data and is compared to previous performances, Race Plan Data, World Average Data and World Record Data. CompTrak allows you to track the details of a swimmer's race metrics (Starts, Turns, Finishes, Splits, DPS, SR & SC) in a specific event over this season and subsequent seasons.
 - Cost: \$30.00 for initial event set-up & \$15.00 per model entry.
 - CompTrak set-up includes a free Race Plan Model.
