All diving entries must meet the qualifying standards for the minimum point total in a bona fide championship or certified diving meet. Judges must be used in computing the point totals. Scores must be submitted on the official entry form and a copy of the diving sheet along with Degree of Difficulty should be included with the entry. Diving scores can be achieved in a 6 optional -OR- in a 5 optional/ 1 voluntary format. Furthermore, either of these formats can be pulled from an 11 dive format to achieve the 6 dive standard on either board.

For diving qualifications: if the minimum score is met by 16 competitors (in any one category) those top 16 athletes would qualify for the national meet. If there is a tie for $16^{\text {th }}$ place on the top times list, all divers tied in the $16^{\text {th }}$ place would be qualified for the meet.
