*A Performance Blend of HD Race Video & Video Race Analysis.....*

**Canada Games Aquatic Centre  
Saint John, New Brunswick  
April 20 -23, 2023**

We hope you will join in on the fun and the memories! You are coming to watch the meet to see it once, *but why not let us film it and for you to bring it home to watch it several times and share with family and friends!*

- We will “zoom in” on your swimmer throughout the race.
- We do not film all 8 swimmers in a heat/final.
- All races are captured in 60fps - 1080 High Definition with our 4k cameras.
- Post-production embedded video graphics include scoreboard results, meet title, swimmer name, splits and final time. Videos will be online within 14 days.
- Swimmers get their own “web page” at [www.sharperaquaticimage.ca](http://www.sharperaquaticimage.ca).
- EASY TO FIND. EASY TO SHARE.
